Every time we're close
Feels like you're bringing me desire
Every time we touch
Feels like you set my soul on fire

Baby you know what I want
Baby you know what I need

Baby that's all I've been waitin' for, for sure
Imma give you all I got, Imma satisfy your needs
Baby that's all I've been trying to tell you
That I've never felt nothin' like
When you're lovin' me
It's so crazy that I've never felt nothin' like
When you're lovin' me

And oh, the first time we kissed
Wasn't like nothing I've ever tasted
When we're makin' love
Not a single second of time is wasted

Baby you know what I want
Baby you know what I need

Baby that's all I've been waitin' for, for sure
Imma give you all I got, Imma satisfy your needs
Baby that's all I've been trying to tell you
That I've never felt nothin' like
When you're lovin' me
It's so crazy that I've never felt nothin' like
When you're lovin' me

When you're far away from me
You can stay worry-free
It's not that hard for me
To be by myself
Oh 'cause I'd rather wait to be next to you
I don't want nobody else
'Cause I've never felt nothin' like
I've never felt nothin' like
I've never felt nothin' like

I've never felt nothin' like
I've never felt nothin' like
When you're lovin' me
When you're lovin' me

It's so crazy when you're lovin' me
When you're lovin' me
No doubt about it
When you're lovin' me
