I fell in love
On a very special day
This feeling
Will never go away
Now I can say
That with you
My love, love
I'll always stay
Look at me and tell me
If I'm being deceived
'Cause right now
This feelin'
Is hard to believe

Chorus:
Who would have thought
It'd be this way?
Oh, no
I never thought
I'd fall in love
On Christmas day
Who would have thought
I'd fall in love
On Christmas day?

I can't believe
That you
Are right here with me
The star
On my Christmas tree
I wanna love you
Endlessly
And that's the way
I'll always
Want it to be
(Want it to be)
Standing there
When the lights
From the tree
Meets your eyes
I can see
That I only want you

'Cause you're
All that I need

(Chorus)

I'd never fall in love
On Christmas day
I never thought
I'd fall in love
On Christmas
Christmas day
I'd fall in love

(Chorus)

I know
That Christ came down
To endure
My sins and shame
And now my dear
We fall in love
On this very special day
This day

Do do do do do do
Do do do do do
Hey hey
Thought
It'd be this way
Oh, no

I never thought
I'd fall in love
I never thought
I'd fall in love
Who would have thought
I'd fall in love
On Christmas day?
