I went to London  
And every afternoon had a spot of tea  
But it was lonely there with myself, I, and me  
Without Love

So I went to Paris  
The City of Love all by myself  
Hoping to find somebody else  
But there's no love for me

I've been around the world  
To find another girl  
But there's no love there's no life  
Without you Do-Do Do da Do da do  
Do-Do Do do do do

I went to Alaska (Alaska)  
But this time of year it's too damn cold (too damn cold)  
It's not the kind of place you can grow old (grow old)  
Without love

So I went to Cairo (to Cairo)  
Athens and ended up in Rome (in Rome)  
But then I realized it was too far from home (from  
home)  
But there's no love for me

I've been around the world  
To find another girl  
But there's no love (no love) there's no life  
Without you Do-Do Do da Do da do  
Do-Do Do do do do

I checked my messages from Rio  
Hoping you're missing me today  
And I didn't hear  
And now i'm filled with misery and pain

So I went to Sydney  
Down Under is where I said I went  
Wasting all the foolish time I spent  
Without love

So I sent you flowers  
Hoping it was me you missed  
I was thinking 'bout the first time we kissed  
And if you still had love for me

I've been around the world  
To find another girl  
But there's no love (no love) there's no life  
Without you Do-Do Do da Do da do  
Do-Do Do do do do

Do-Do Do da Do da do  
Do-Do Do do do do

Do-Do Do da Do da do  
Do-Do Do do do do

Do-Do Do da Do da do  
Do-Do Do do do do

Do-Do Do da Do da do  
Do-Do Do do do do
