Did you say you had to leave?
Is that the way it has to be?
How I hate to see you go
But it's okay because I know

1 - you could be the one I'm waiting for
You could be the one that opens up the door
You could be the one I run to
You could be the one
You could be the one to share my love
You could be the one to buy yourself a life
You could be the one I run to
You could be the one

Every night I wish upon a star
Just wanna every where you are
Body's calling out your name
Girl tell me that you feel the same

Repeat 1

Late at night whenever I thought I'd find it never
I just might be done
Think I found the one, oh
Babe oh

Repeat 1 (3x)

You could be the one
You could be the one I run to
You could be the one
You could be the one
You could be the one I run to
You could be the one

Repeat 1 till end
