Did you say, you had to leave
(Can you spend the night with me?)
Is that the way, it has to be
(Ahh)
How I hate to see you go
(How I hate to see you go)
But it's okay
Because I know oh

You could be the one I waited for
(Oh)
You could be the one that opens up the door
(Yeah)
You could be the one I run to
(Yeah)
You could be the one
(You could)
You could be the one to share my nights
(Yeah)
You could be the one that brightens up my life
You could be the one I run to
You could be the one

Every night I wish upon a star
(Only wanna be with you)
I just wanna be everywhere you are
(Yeah, yeah)
Body's callin' out your name
(My body's callin' out your name)
Girl tell me that you feel the same

You could be the one I waited for
(Waited for)
(You could be the one)
You could be the one that opens up the door
(The door)
(Yeah)
(You could be the one)
You could be the one I run to
(Yeah)
(You could be the one)
You could be the one

(You could be)
(You could be the one)
You could be the one to share my nights
(Yeah)
(You could be the one)
You could be the one that brightens up my life
(You)
(You could be the one)
You could be the one I run to
(Yeah)
(You could be the one)
You could be the one

I waited like forever
Thought I'd found you never
(Thought I'd found)
I just might be done
Think I've found the one
Haa eee
Oh

You could be the one I waited for
(Waited for, haa)
(You could be the one)
You could be the one that opens up the door
(The door, haa)
(Ha)
(You could be the one)
You could be the one I run to
(Yeah)
(You could be the one)
You could be the one
(Yeah)
(You could be the one)
You could be the one to share my nights
(Yeah)
(You could be the one)
You could be the one that brightens up my life
(You)
(You could be the one)
You could be the one I run to
(You)
(You could be the one)
You could be the one

You could be the one I waited for
(You could be the one)
(Waited for, haa)
You could be the one that opens up the door
(You could be the one)
(The door, haa)

You could be the one I run to
(You could be the one)
(You could be the one)
You could be the one
(You could be the one)
You could be the one to share my nights
(You could be the one)
(You could be the one)
You could be the one that brightens up my life
(You could be the one)
You could be the one I run to
(You could be the one)
You could be the one

You could be the one
(You could be the one)
(You could be the one)
You could be the one I want to
(You)
You could be the one
(Ha ha ha woo)
You could be the one
(You could be the one)
(You could be the one)
You could be the one I want to
(You)
(You could be the one)
You could be the one

You could be the one I waited for
(You could be the one)
(Waited for)
You could be the one that opens up the door
(You could be the one)
(The door)
You could be the one I run to
(You could be the one)
You could be the one
(You could be the one)
You could be the one to share my nights
(You could be the one)
You could be the one that brightens up my life
(You could be the one)
(You could be)
You could be the one I run to
(You could be the one)
You could be the one
