Your love is ooh  
Your love is ooh baby

*[verse]*

I contemplate, as we lay  
Caught up in your web of pleasure  
Let me get my thoughts together  
Concentrate, stimulate  
Ecstasy cannot be measured  
I finally found my treasure

*[chorus]*

When I think about the love we make  
I can't find the word to say, your love is ooh  
Your love is ooh baby  
When I think about the the love we make  
I run out of breath and I start to shake  
your love is ooh  
Your love is ooh baby

*[verse]*

Take the sun  
Take the moon  
All I ever need is you  
You make my dreams come true  
Through the storm, nice and warm  
Girl you know just what to do  
You know just what to do

*[b-sec]*

I'm just an ordinary man  
I don't understand  
Why the way that I feel gets so hard for me  
To explain  
Am I dreamin'?

*[chorus]*

When I think about the love we make  
I can't find the word to say, your love is ooh  
Your love is ooh baby  
When I think about the love we make  
I run out of breath and I start to shake  
Your love is ooh

Your love is ooh baby

*[bridge]*

And my heart is beating, sore from being

Loved so beyond my needs

All I know is I want the world to know

Your love is ooh

Your love is ooh

Your love is..... ooh

Ooh, Ooh, Ooh *[continue w/ ad lib and fade]*
