I saw a man on a TV show, he said. "Don't drink alcohol.
Please don't smoke no cigarettes, Don't drink coffee
at all."

Later on, I'm watching the news
And the man from the TV show was stopped by the
cops
And in his trunk was a suitcase full of...well, you know

Everybody's up to somethin', everybody's got
somethin' goin' on
Nobody's up to nothin', everybody's done somebody
wrong
Everybody' up to somethin', everybody's got to sing
their song
Nobody's up to nothin', come on everybody sing along

Well, the preacher man is callin' on you
To live a much better life
"Get to the church on time, say all your prayers,
Don't covet thy neighbor's wife."

The preacher man was surprised to see
Dissensions in the ranks
When the feds moved in
It was soon found out he had a billion in the bank

Everybody's up to somethin', everybody's got
somethin' goin' on
Nobody's up to nothin', everybody's done somebody
wrong
Everybody' up to somethin', everybody's got to sing
their song
Nobody's up to nothin', come on everybody sing along

Well everybody's got somethin' to say
About practically everything
They can feed the poor, they can tax the rich
They can even make Ashlee sing!

If I'm doin' somethin' that's botherin' you

Don't be tellin' it nationwide
'Cause everybody in the whole wide world
Got a little bit of somethin' to hide

Everybody's up to somethin', everybody's got
somethin' goin' on
Nobody's up to nothin', everybody's done somebody
wrong
Everybody' up to somethin', everybody's got to sing
their song
Nobody's up to nothin', come on everybody sing along
