You can really go go go
Jumpin fast or rockin slow
I will see ya when the band gone blow
Now hold it, don't move it
Now boogie some more

I'm a good rockin daddy
Yeah well I'm a good rockin daddy
Up on my feet I can't be beat
I'm a good rockin daddy

I told the girls all to come and see
Just what the sandman
Brought to me
They stood around with a great big smile
And when you start to rock n' roll
They all went wild

I'm a good rockin daddy
Yeah well I'm a good rockin daddy
Up on my feet I can't be beat
I'm a good rockin daddy

Well I'll hold you close and I'll hold you tight
You'll rock n' roll from left to right
'Round and round and round we go
Rest awhile and we'll boogie some more

I'm a good rockin daddy
Yeah well I'm a good rockin daddy
Up on my feet I can't be beat
I'm a good rockin daddy

Good Rockin' Daddy
Good Rockin' Daddy
Good Rockin' Daddy
Good Rockin' Daddy
