You only go around once on this big spinnin' planet of
love

So don't be waistin' my time, tellin' me what you're
dreamin' of

We'll take a rocket to the moon and when we get that
far

I'll hang your coat and hat up on a shootin' star

So let's live it up!

Let's live it up!

Let's live it up!!!!

Hang up the cat

Put the dog out to dry, my, my

We'll take a sloe gin to China

A train to Peru

In a rusty old steamer

Or a leaky canoe

So let's live it up!

Let's live it up!

Let's live it up!!!!

Around the block in a hot balloon sounds awfully good
to me

Or a seat on the wing of a jumbo jet

Flyin' straight to Mercury!

What's the matter with me?

Baby, I've been such a fool

We'll hop on a raft and navigate around the pool

We'll take a rocket to the moon and when we get that
far

I'll hang your coat and hat up on a shootin' star

So let's live it up!

Let's live it up!

Let's live it up!!!!

Around the block in a hot balloon sounds awfully good
to me

Or a seat on the wing of a jumbo jet

Flyin' straight to Mercury!

What's the matter with me?

Baby, I've been such a fool

We'll hop on a raft and navigate around the pool

We'll take a rocket to the moon and when we get that
far

I'll hang your coat and hat up on a shootin' star
So let's live it up!
Let's live it up!
Don't you even think of, baby, givin' it up!!
So let's live it up!
Let's live it up!
Let's live it up!!!!
(shouted) Let's live it up!!!!!!!!!!
