There's a rainbow round my shoulder  
And a sky of blue above  
How the sun shines bright  
The world's all right  
Cause I'm in love

There's a rainbow round my shoulder  
And it fits me like a glove  
Let it blow let it storm, I'll be warm  
Cause I'm in love

Hallelujah, how the folks will stare  
When they see that solitaire  
That my little baby is gonna wear

There's a rainbow round my shoulder  
And a sky of blue above  
And I'm shoutin so the world  
Will know that I'm in love

Hallelujah, how the folks gonna stare  
When they see that diamond solitaire  
That my own true baby's gonna wear

There's a rainbow round my shoulder  
And a sky of blue above  
And I'm shoutin so the world  
Will know

I'm in love, I'm in love  
There's a rainbow round my shoulder  
And I'm in love
