M: When it comes to kissin', I just got to keep insistin'  
Oh, baby, you sure do swing

W: And when it comes to kissin', I just got to keep  
insistin'  
Oh, daddy, you are the king

M: Baby, you've got me beat up and down, inside out  
and across, oh yeah

W: But in the middle of the night, when the moon is  
shinin' bright  
You're the boss

W: Talkin' 'bout a-dancin' and a-down home romancin'  
Oh, daddy, you make the scene

M: Talkin' 'bout a-dancin' and a-down home romancin'  
Oh, baby, you are the queen

W: Man, when push comes to shove, when it comes  
down to love  
You're the boss

M: But in the middle of the night, when the moon is  
shinin' bright  
You're the boss

B: You're the best of everything

W: You're a peach

M: You're a plum

W: You're a diamond

M: You're a pearl

You're the best of everything

W: Daddy, you're my man

M: Baby, you're my girl

M: When it comes to knowin' which way the wind is  
blowin'

Baby, you sure are wise

W: And when it comes to knowin' which way the wind is  
blowin'

Daddy, you take the prize

M: Baby, you're a genius when it comes to cookin' up

some chili sauce

W: But in the middle of the night, when the moon is  
shinin' bright

You're the boss

M: You're the boss

W: You're the boss

B: You're the boss

M: Baby, you're a genius when it comes to cookin' up  
some chili sauce

W: But in the middle of the night, when the moon is  
shinin' bright

You're the boss

M: When it comes to kissin', I just got to keep insistin'  
Oh, baby, you sure do swing

W: And when it comes to kissin', I just got to keep  
insistin'

Oh, no, daddy, you are the king

M: Oh, you've got me beat up and down, inside out and  
across

W: But in the middle of the night, when the moon is  
shinin' bright

You're the boss

M: You're the boss

W: You're the boss

M: You're the boss

M: Oh, baby you're the boss.

W: Oh, baby you know I like it when you're the boss.

M: Mmmm, you know that I like it when you say that I'm  
the boss.

W: Well, then maybe tonight, I'll be the boss.  
and tomorrow night, I'll be the boss.

W: You're the boss.

M: You like it when I'm the boss.
