Na na na na, na na na na  
Na na na na, na na na

Well Bobby had everything he thought he'd ever need  
A fancy new car and a Master's Degree  
Still he's feeling lost, with no purpose in life  
And nothing seems to fill the empty space inside

He sees an ad on late night TV  
Says, "Change a kid's life with just a couple hours a  
week"  
Normally he'd keep clicking, just surfing around  
But something makes him stop and write that number  
down  
Oh, it's amazing how love changes everything

Na na na na, na na na na  
Na na na na, na na na  
Love changes everything  
Na na na na, na na na na  
Na na na na, na na na

Well, Sara does her best just to keep the faith  
But ever since he left, it's hard to find the strength  
She wipes a tear from her eye as she puts the  
groceries on the shelf  
'Cause after dinner, baths and homework, there's no  
time for herself

Two jobs, two kids, too tired to fight  
No money, no romance, no end in sight  
Just when she thinks she can't go on  
She sees a painting on the fridge that says, "I love you  
Mom"  
Oh, it's amazing how love changes everything

Na na na na, na na na na

Na na na na, na na na  
Love changes everything  
Na na na na, na na na na  
Na na na na, na na na

Well, I know we've got problems  
We've got to figure out, baby  
Yeah, I know we haven't been talking  
Or touching much lately

But I know this love's  
Got a lot of life left in it  
Oh, so let me hold you close, I don't wanna let you go  
Baby, let me know, we won't wait another minute

Na na na na, na na na na  
Na na na na, na na na  
Love changes everything  
Na na na na, na na na na  
Na na na na, na na na

It can change the world, it can change your mind  
It can change your tire in the middle of the night  
It can change your name, it can change your heart  
It can change your tune, it can change your life

Na na na na, na na na na  
Na na na na, na na na  
Love changes everything  
Na na na na, na na na na  
Na na na na, na na na  
Love changes everything
