Barry White, he woke me out of my sleep  
"Love Unlimited" on infinite repeat  
I live alone, so why's the shower running?  
My mind is groggy, my memory's foggy

The smell of incense lingers in the bedroom  
I can't believe it's already past noon  
On my arm, there's a strange new tattoo  
Shirt on the fan blade, pants on the lampshade

You get the picture clear as a bell  
You get the picture, just hang it on your bedroom wall  
You get the picture and put a frame around it

Empty bottle of tequila, Jose Cuervo margaritas  
Popcorn and a game of Twister  
You get the picture, you get the picture

A book of matches on my dresser from the Sky Bar  
Doggie bag from Dos Amigos  
That valet parker still has the keys to my car  
Piece by piece, it's coming back to me

I met my buddies after work  
We shot some pool, a couple beers  
Before I knew it, we were rocking  
Met some girls, we started talking  
It's not like me to get nervous but she was perfect

You get the picture clear as a bell  
You get the picture, just hang it on your bedroom wall  
You get the picture and put a frame around it

A mariachi band was playing  
She was dancing close and swaying  
Fireworks when I kissed her  
You get the picture

Suddenly the shower opens in a cloud of steam  
Standing there, the woman of my dreams, oh

You get the picture clear as a bell

You get the picture, just hang it on your bedroom wall  
You get the picture and put a frame around it, baby  
You get the picture, oh yeah

You get the picture clear as a bell  
You get the picture, just hang it on your bedroom wall  
You get the picture, you get the picture

You get the picture, you get the picture  
You get the picture, you get the picture  
You get the picture
