The night we met I knew  
I needed you so  
And if I had the chance  
I'd never let you go

So won't you say you love me  
I'll make you so proud of me  
We'll make them turn their heads  
Every place we go

So won't you please  
(Be my, be my baby)  
Be my little baby  
(I want it only say)  
Say you'll be my darling  
(Be my, be my baby)  
Be my baby now  
(I want it only say)

I'll make you happy, baby  
Just wait and see  
For every kiss you give me  
I'll give you three

Oh, since the day I saw you  
I have been waiting for you  
You know I will adore you  
Till eternity

So won't you please  
(Be my, be my baby)  
Be my little baby  
(I want it only say)  
Say you'll be my darling  
(Be my, be my baby)  
Be my baby now  
(I want it only say)
