Well east coast girls are hip  
I really dig those styles they wear  
And the southern girls, with the way they talk  
They knock me out when I'm down there

The mid-west farmer's daughters  
Really make you feel alright  
And the northern girls with the way they kiss  
They keep their boyfriends warm at night

I wish they all could be California  
I wish they all could be California  
I wish they all could be California girls

The west coast has the sunshine  
And the girls all get so tanned  
I dig a French bikini on Hawaiian island  
Dolls by a palm tree in the sand

I been all around this great big world  
And I've seen all kind of girls  
Yeah, but I couldn't wait to get back in the states  
Back to the cutest girls in the world

I wish they all could be California  
I wish they all could be California  
I wish they all could be California girls

I wish they all could be California  
(Girls, girls, girls yeah I dig the)  
I wish they all could be California  
(Girls, girls, girls yeah I dig the)  
I wish they all could be California  
(Girls, girls, girls yeah I dig the)  
I wish they all could be California  
(Girls, girls, girls yeah I dig the)

I wish they all could be California  
(Girls, girls, girls yeah I dig the)  
I wish they all could be California  
(Girls, girls, girls yeah I dig the)  
I wish they all could be California

(Girls, girls, girls yeah I dig the)  
I wish they all could be California  
(Girls, girls, girls yeah I dig the)

I wish they all could be California  
(Girls, girls, girls yeah I dig the)  
I wish they all could be California  
(Girls, girls, girls yeah I dig the)  
I wish they all could be California  
(Girls, girls, girls yeah I dig the)  
I wish they all could be  
(Girls)
