Summer  
Sixty-one  
A goddess became my song  
I fell in her ocean eyes  
As endless as the sky  
Forever she'll be my surfer girl  
Forever she'll be my surfer girl  
My little one.

First love  
Is the moment  
You can't repeat  
But you'll always own it  
The gift she gave to me  
Her timeless melody  
Forever she'll be my surfer girl  
Forever she'll be my surfer girl  
My little one.

So sweet  
(Now there's all kinds of music)  
So sweet  
(And don't you know, the truth is)  
So sweet  
(You were my special lover)  
So sweet  
(You were my baby grand)  
So sweet  
(Such a sweet ballad and)  
Oh, so sweet  
(Sweet voices right  
From heaven, radio seven)

So long, so long ago  
(Ohhhh)  
To waves gently say hello  
(Ohhhh)  
We'll never say goodbye  
(Ohhhh)  
Were the horizon gone

Forever she'll be my surfer girl

Forever she'll be my surfer girl  
My little one
