I've been in this town so long that back in the city
I've been taken for lost and gone
And unknown for a long, long time

Fell in love years ago
With an innocent girl
From the Spanish and Indian home
Of the heroes and villains

Once at night Catillian squared the fight
And she was right in the rain of the bullets
That eventually brought her down
But she's still dancing in the night
Unafraid of what a dude'll do in a town
Full of heroes and villains

Heroes and villains
Just see what you've done

Heroes and villains
Just see what you've done

Stand or fall
I know there shall be peace in the valley
And it's all an affair
Of my life with the heroes and villains

In the cantina
Margarita keeps the spirit high
There I watched her
She spun around and 'round in the warmth
Her body fanned the flame of the dance
Dance Margarita, don't you know that I love you?
Dance

You're under arrest

My children were raised
You know they suddenly rise
They started slow long ago
Head to toe healthy, weathy and wise

I've been in this town so long
So long to the city
I'm fit with the stuff
To ride in the rough
And sunny down snuff I'm alright
By the heroes and

Heroes and villains
Just see what you've done

Heroes and villains
Just see what you've done
