"On christmas day"

We wait all year long for the happy happy holidays
And now that they're here we'll celebrate

The bells are ringing on Christmas day
They wake up the children and they are starting to play
Look what's under the Christmas tree
All kinds of goodies from Santa to me
Ding dang ding dang ding dang ding
Frosty the Snowman has nothing to wear
Deep inside my heart there's a globe
All of a sudden it's starting to snow
We all share the joy that comes along just once a year
It's spreading so much love and bringing cheer

The bells are ringing on Christmas day
They wake up the children and they are starting to play
Look what's under the Christmas tree
All kinds of goodies from Santa to me
Ding dang ding dang ding dang ding
Frosty the Snowman has nothing to wear
Deep inside my heart there's a globe
All of a sudden it's starting to snow
Merry Christmas, baby, Merry Christmas to you
Happy New Year, baby, yeah on Christmas Day

The bells are ringing on Christmas day
They wake up the children and they are starting to play
Look what's under the Christmas tree
All kinds of goodies from Santa to me
Ding dang ding dang ding dang ding
Frosty the Snowman has nothing to wear
Deep inside my heart there's a globe
All of a sudden it's starting to snow

Ding dang ding dang ding dang ding
Frosty the Snowman has nothing to wear
Ding dang ding dang ding dang ding
All of a sudden it's starting to snow
Ding dang ding dang ding dang ding
Frosty the Snowman has nothing to wear
Ding dang ding dang ding dang ding
