Rainbow eyes, red yellow blue  
Rainbow eyes, I see you  
Splashing color everywhere that you go  
Fireworks explode when you cross the room  
The air I breathe shimmers with your bright perfume

Rainbow eyes, rainbow eyes  
You paint the world with your love  
Rainbow skies, up above

Rainbow eyes flash poetry  
Rainbow eyes, can you see me  
I wanna walk the world in colors with you  
Oh pretty rainbow eyes when you flash my way  
Confetti and balloons it's a holiday

Rainbow eyes, rainbow eyes  
You paint the world with your love  
Rainbow skies, up above

Lavender sunsets silver pink clouds  
( ? ? ? ) avenue  
Ever green beaches scarlet skies  
Nights turquoise blue

Oh multi-colored you  
My psychedelic you

My rainbow eyes, magic melody  
Rainbow eyes, perfect fantasy  
You thrill me with your sweet insanity  
In my dreams I kiss you, take you by the hand  
In my dreams you let me be your rainbow man

Rainbow eyes, rainbow eyes  
You paint the world with your love  
Rainbow skies, up above

Rainbow eyes, I love you  
Rainbow eyes, I love you  
Rainbow eyes, I love you  
Rainbow eyes, I love you

Rainbow eyes, I love you  
Rainbow eyes, I love you
