New executive music/ruse by the sea/all about me
music

She says that she needs me
And I guess I need her too
'cause I can't keep wonderin? br> why I feel the way I
do
Baby, if you don't stop crying
I'll just want to die
But it's too late and you know
There's nothing here for you and i

Chorus:
Sorry baby, I just can't stand it
It didn't work out the way planned it
I don't know whether we're going to be together
And sorry baby, it's time we said good-bye

She says that she's sorry
And I guess I'm sorry too
But baby I'm wonderin? br> when I was lonely, where
were you

Baby, if you don't stop crying
I'll just want to die
But it's too late and you know
There's nothing here for you and i

Chorus

She says that she loves me
And I'm not sure that's really true
Because if she loves me
I wouldn't feel the way I do
Baby, if you don't stop crying
I'll just want to die
But it's too late and you know
There's nothing here for you and i

Chorus
