Whoa whoa whoa whoa

I love love you darling Come and go with me
Come home with me baby I'm to see
I need you darling so come and go with me

Come come come come come into my heart
Tell me darling that we will never part
I need you darling so come and go with me
Whoa whoa whoa whoa

Yes I need you
Yes I really need you
Please say you'll never leave me
When you say you never guess you really never
You never give me a chance

Come come come come come into my heart
Tell me darling that we will never part
I need you darling so come and go with me

Yes I need you
Yes I really need you
Please say you'll never leave me
When you say you never guess you really never
You never give me a chance
