I'm here and now and everywhere's going out on the road

In my hotel room I hear a knock on the door

I think it must be the boys telling me

That it's time for making some noise

For the freaks

The world is a freak

The world is a freak and so are you

The world is a freak and we know that it's true

That's when I see me some a' little fresh swish

Ah, can't help a'knockin' me out

She waves a smile and I know

For after the show

Like all the other ??? that's as good as it goes

'Cause we're freaks

The world is a freak

The world is a freak and so are you

The world is a freak and we know that it's true

It's when you're slidin' 'cause you know it's almost ???

You know what's going on and everybody's encouraged

Freaks

You fucking freaks

Freaks

I'm here, I'm there

I'm everywhere

And no matter where you're going in this world that we share

Stop here, put your head in the sea

The world's a freak just like me

What a freak

The world is a freak

The world is a freak and so are you

The world is a freak and we know that it's true

It's when you're slidin' 'cause you know it's almost ???

You know what's going on and motherfucker ???

Freaks

The world is a freak

You know I'm a freak
The world is a freak
I know you're a freak
The world is a freak
Freak, freak, freak, freak, freak, freak, freak

You're freakin' me out, man
Freakin' me out
Freakin' me out
Freakin' me out

Freaks
