Another year has pulled me under  
I think the days are getting longer  
I can feel what is real  
Got an empty feeling inside  
Nothing I can do for you  
Is alright too many dreams  
And explanations  
Dragging out the situation  
Knocked me down with cruel words  
Little voices climbing my head  
Whispering the things  
I should have not said  
I'm hearing 24 hours  
Of 24 hours of insults  
And I've had enough 24 hours  
Of 24 hours of insults  
And I'm givin' up holding on  
To my emotion  
As I choke for conversation  
It's clear now I need out

Shut the lights off start  
A new day like a story  
Plastered on the front page  
It's reading 24 hours  
Of 24 hours of insults  
And I've had enough 24 hours  
Of 24 hours of insults  
And I'm givin' up  
Dododdodododododdo  
Dodododododododod  
Mm yeah mm yeah  
24 hours of insults  
24 hours of insults  
Ohhh  
24 hours of insults  
24 hours of insults  
Ohh  
24 hours  
Of 24 hours of insults  
And I've had enough  
24 hours

Of 24 hours of insults  
And I'm givin' up
