Standing beside me
He looked in my eyes
What is he thinking
I can't keep it
All inside
And anything
I ever wanted
Yeah
He would lend to me
Whole hearted
But I just can't fake it

As much as he gives
It aint good enough
I try not to slip
Falling out of love
Frustration
Forsaken dissatisfied
There's no more to say
As I walk away

Feeling his heartbeat
When we're holding hands
I could make him happy
But where would I stand
I know
He's hoping that I give in
The door is open
And I'm leaving
And he wants a reason
As much as he gives
It aint good enough
I try not to slip
Falling out of love
Frustration
Forsaken dissatisfied
There's no more to say
As I walk away

I gotta do
What's best for me
It's been a lifetime

Since I've had
Room to breathe
Oooh

As much as he gives
It aint good enough
I try not to slip
Falling out of love
Frustration
Forsaken dissatisfied
There's no more to say
As I walk away
Walk away
Yeah

No room to breathe
I'm incomplete
I cannot live this way
I'm all out of words
As I walk away
