Don't be confused by
my apparent lack of ceremony, my mind is clear.
I may be low or miles
high off in the distance, I want you near.

I love you
even when I'm sleeping.
when I close my eyes you're everywhere.

And if they take me flying
on the magic carpet, see me wave.
If our communication fails
I'll reconnect it, I want to rave.

I love you
even when I'm sleeping.

when I close my eyes you're everywhere.

No matter where the road
is leading us remember, don't be afraid.
We have a continent that
sometimes comes between us, but that's ok.

I love you
even when I'm sleeping,
when i close my eyes you're everywhere.

When I close my eyes, you're everywhere.

Oh, don't be afraid, don't be afraid. (Repeat 3X)
