Adam Fell Into A Deep Dream.
But No One Ever Told That He Has Woken Up.
That He Has Woken Up
That He Has Woken Up
I Haven't Heard.
I Haven't Heard.
The Time Is Up. I'm Growing Old.
My Cellstructures Decompose.
But Finally I Wake Up.

Chorus:
Tears Are Running Down My Face. That's a Dream.
Now I Understand.
It's A Neverending Game In A Neverending Dreamtime.
I've Had Enough. It Makes A Fool Of Me.
My Dream - Goodbye. Homecoming Of The Self.

Holographic Time I Wipe It Away.
The Space Around Me Fades Away.
Homecoming Of The Self.
We play our dream game.
We play our dream game.
We play our dream game.
We play our dream game.

A Shot. A Pain In My Stomach. Shedding My Blood.
Life's Going Through My Mind.
It Hurts. No Clear Thoughts. I Won't Survive.
Looking At The Bloody Knife.
The Time Is Up. I Have To Die.
Fear, Panic, Then A Cry.
But Finally I Wake Up.

[Chorus]
