Wrong place. wrong time.  
Am I a victim or will I be a culprit?  
Too many pictures of abundance. they seduce me.  
Now I'm a culprit. they caught me,  
They sentence me to custody.  
Sitting in a prisoncell.  
Now I'm so alone.  
Thinking about my offence.  
Wishing I were home.

A prisoner talks to me:

Legal force can't reach me. in my mind I'm so free.  
They can't break me, cause I am strong.  
Breakdown - they've got a long wait coming!

They can't break me. they can't reach me.  
There's no evil. there's no good.  
It exists only in your own reality.  
However your thought - so is your realm.  
Don't waste your minds on guilt.  
Find out yourself and learn.
