You pretend you like me
You pretend to be my friend
When you and me know it's not the case

'Cause I'm free
It scares you
It shakes you too hard in your world of...

'Cause I'm free
It scares you
It shakes you too hard in your world of
Rules

So you try hard to come poisoning my brain
And every gently
Take hold of my soul

All your words are evil
Disguised into friends
Who very gently
Tray and rob my soul

Rob my soul

Now you push me away
You'll come back to me again
So eager you are to approach sin

'Cause I'm free
It tempts you
What you fear the most
You desire

I'm free
It tempts you
What you fear the most
You desire
Too

So you try hard to come poisoning my brain
And very gently

Take hold of my soul

All your words are evil
Disguised into friends
Who very gently
Try and rob my soul

Rob my soul
Rob my soul
But you won't
Rob my soul
