How can I reach it? Cognition
When I will obtain it? Now tell me ho can I
Realize me on this plane! How can I fulthill
Myself? I'm still waiting a long time. I wanna
Know, I wanna live to see how can I reach it
How can I realize me?
I like every night I go to bed and dream a dream
The greatest dream there is,
I'm lying here but I'm dying into the
Scene. I feel the might inside of me, It feels so
Real and now I understand
Now I'm in the Focus of my dream
I'm in the focus of the scene, now I'm the master

Of my dream

A Godlike Act- I create creations
I experience it, then I distintegrate it
I'm the viewer, the one who creates creation
To experience it and then distintegrate it

I throw it away - My ignorance, my stubbornness
My Limitation, my conceit. I throw it into the fire
And I burn it up, so I can feel the heat
I do wonders, I can fly, I reach the deepest point
Then I touch the sky. I do wonders
Now I can see, cause I reach it, cause I realize me
