I've been searching a long time  
For someone exactly like you  
I've been travelling all around the world  
Waiting for you to come through

Someone like you, you make it all worth while  
Someone like you keeps me satisfied  
Someone exactly like you

I've been doin' some soul searching  
To find out where you're at  
I've been up and down the highway  
In all kinds of foreign lands

Someone like you, you make it all worth while  
Someone like you, keep me satisfied  
Just like you, baby

I've been all around the world  
Marching to the beat of a different drum  
But just lately I have realized  
Baby, the best is yet to come

Someone like you, you make it all worth while  
Someone like you, keep me satisfied

Someone like you, you make it all worth while  
Someone like you, keep me satisfied  
Just like you, someone exactly like you  
Someone
