Oooh yeah, mmmm  
Breakthrough

Up, down, spinnin all around  
Fly, high, falling to the ground  
Sometimes dreams can feel so far away

Time, keeps, skippin' out a beat  
Left, right, trippin' on your feet  
Life is like a string of cloudy days

Sometimes it's raisin' your voice  
Sometimes it's makin' some noise  
Sometimes it's proving to the world it was wrong  
Whenever you can't see the light  
Whenever there's no end in sight  
Keep on, keep on moving on  
Keep on moving on

Here comes a breakthrough  
Here comes a day  
Here comes a moment that you gotta go for it  
So don't let it get away  
It's all a breakthrough  
Just turn the page  
Cause everyday I'm getting closer  
Life is just a rollercoaster

Shake it, till you make it  
Till you break it all through  
Don't stop till you break it through  
Shake it, till you make it  
Till you break it all through  
Don't stop till you break it all through

Stop, still, take another breath  
Road block, move it to the left  
Get around whatever's in your way

Heartbreak, pick up all the pieces  
Don't stop dancin' in the bleachers

It's gonna be your turn to play  
Gonna be your turn to play

Sometimes it's raisin' your voice  
Sometimes it's makin' some noise  
Sometimes it's provin' to the world it was wrong  
Whenever you can't see the light  
Whenever there's no end in sight  
Keep on, keep on movin' on  
Keep on movin' on

Here comes a breakthrough  
Here comes a day  
Here comes a moment that you gotta go for it  
So don't let it get away  
It's all about a breakthrough  
Just turn the page  
Cause everyday I'm getting closer  
Life is just a rollercoaster

You can see it in the blind sight  
Movin' through the limelight  
Groovin' to the music imma use it when the time's right  
Hoping I can do it through the shadows, I can shine  
bright  
Usually in life there's one short, this is our night  
listen To the rhythm that we given and it will make you  
Start pushin' the barriers and it will take you  
wherever it is you wanna go, never too late to  
Keep pushing till you breakthrough

Sometimes it's raisin' your voice  
Sometimes it's makin' some noise  
Sometimes it's provin' to the world it was wrong  
Whenever you can't see the light  
Whenever there's no end in sight  
Keep on, keep on movin' on  
Keep on movin' on

Here comes a breakthrough  
Here comes a day  
Here comes a moment that you gotta go for it  
So don't let it get away  
It's all about a breakthrough  
Just turn the page  
Cause everyday I'm getting closer  
Life is just a rollercoaster

Shake it, till you make it  
Till you break it all through  
Don't stop till you break it all through

Shake it, till you make it  
Till you break it all through  
Don't stop till you break it all through  
Shake it, till you make it  
Till you break it all through  
Don't stop till you break it all through  
Shake it, till you make it  
Till you break it all through  
Don't stop  
Here comes a breakthrough
