Tryin' hard to fight these tears. I'm crazy worried.
Messin' with my head, this fear. I'm so sorry.
You know you gotta get it out. I can't take it.
That's what being friends about.

I, I wanna cry. I can't deny, tonight I wonder I've been
high.
And get inside. It isn't right.
I gotta live in my life.

I know I, I know I, I know I gotta do it.
I know I, I know I, I know I gotta do it.

Gotta turn the world into your dance floor.
Determinate.
D-determinate.
Push until you can't, and then they'll demand more.
Determinate.
D-d-determinate.
You and me together, we can make it better.
Gotta turn the world into your dance floor.
Determinate.
D-determinate.

Hey, you feel this way. It was today. I gotta get myself
on stage.
I shouldn't wait, or be afraid. The chips will fall where
they may.

I know I, I know I, I know I gotta do it.
I know I, I know I, I know I gotta do it.

Gotta turn the world into your dance floor.
Determinate.
D-determinate.
Push until you can't, and then they'll demand more.
Determinate.
D-d-determinate.
You and me together, we can make it better.
Gotta turn the world into your dance floor.
Determinate.
D-determinate.

It's when then a medicine. Use it like a veteran.
Renegade, lemonade, use it in my medicine.
Go ahead and try to name my band better than.
Reason why the whole world's making us a synonym.
People need a breather, cuz' they're feeling the
adrenaline.
Stop.
Now hurry up and let us sing.
Knock.
Cuz' we coming through your house
And people keep on flying like a lemon in their mouth
I'm the real deal and you know how I feel.
Why they in it for a bill, you just in it for a thrill.
Get down, now I ain't play around.
Put your feet up from the ground.
And just like that sound what.

Gotta turn the world into your dance floor.
Determinate.
D-determinate.
Push until you can't, and then they'll demand more.
Determinate.
D-d-determinate.
You and me together, we can make it better.
Gotta turn the world into your dance floor.
Determinate.
D-determinate.

Come on and, come on and, come on and get it going.
Come on and, come on and, come on and get it going.

On the dance floor.
On the dance floor.

D-d-dance floor.

Determinate.
