When I read your face its like a screen door
I can see right through your heart's a window
Why you got to treat me like a bimbo?
The sticks are out when you don't care anymore

You make it so easy, youâ€™™ re sweet like a Reese's
pieces
but I promise, if you leave me
you'll be crawling on your knees
So if you go
it's a joke

If you drive away, hope you get a flat tire, get stranded
if itâ€™™ s good bye today, know youâ€™™ re leaving here
empty handed
'Cause I got my own life and you're just a punch line
if you go,
You're a joke,
I forgot to laugh

You don't like it when I check your iPhone
I don't even get my own ringtone
When you're heading out with all your best bros
You don't wanna tell me where you guys go

You say that Iâ€™™ m needy, like a kid needs Reese's
pieces
But I promise, if you leave me
youâ€™™ ll be running back to me
at my door
what a joke

If you drive away, hope you get a flat tire, get stranded
if itâ€™™ s good bye today, know youâ€™™ re leaving here
empty handed
'Cause I got my own life and you're just a punch line
if you go,
You're a joke,
I forgot to laugh

So if you're sayin' "peace,bye"
like you're so over me

Tryin' to sting like a bee
then i gotta laugh
you're more like a jockey
Or a cute little bunny
think that youre funny
I forgot to laugh, laugh

like a diamond in a mountain of coal,
I'm the girl that guys can't find anymore

If you drive away, hope you get a flat tire, get stranded
if it's good bye today, know you're leaving here
empty handed
'Cause I got my own life and you're just a punch line
if you go,
You're a joke,
I forgot to laugh

If you drive away, hope you get a flat tire, get stranded
if it's good bye today, know you're leaving here
empty handed
'Cause I got my own life and you're just a punch line
if you go,
You're a joke,
I forgot to laugh

Na na na na na na
I forgot to laugh
