Today's all burnt toast
Running late and dad jokes
Has anybody seen my left shoe?
Close my eyes take a bite
Grab a ride laugh out loud
There it is up on the roof

I've been there I survived
So just take my advice

Hang in there, baby
Things are crazy,
But I know your future's bright
Hang in there, baby
There's no maybe,
Everything turns out alright
Sure life is up and down,
But trust me, it comes back around
You're gonna love who you turn out to be

Woo!

Home run, loud crash
Someone's gonna pay for that
Why's everyone looking at me?
Trouble in paradise
Skating on melted ice
Please don't take away my TV

I've been there I survived
So just take my advice

Hang in there, baby
Things are crazy,
But I know your future's bright
Hang in there, baby
There's no maybe,

Everything turns out alright
Sure life is up and down,
But trust me, it comes back around
You're gonna love who you turn out to be

Someone who gets along
Can keep you moving on
That's what I'm here for
Say anything, you can say anything
Cause I've been there

Hang in there, baby
Things are crazy,
But I know your future's bright
Hang in there, baby
There's no maybe,
Everything turns out alright
Sure life is up and down,
But trust me, it comes back around
You're gonna love who you turn out to be

Hang in there, baby
Things are crazy,
But I know your future's bright
Hang in there, baby
There's no maybe,
Everything turns out alright
Sure life is up and down,
But trust me, it comes back around
You're gonna love who you turn out to be

Take it from me
Hang in there, baby
