Hold my hand and fly,
Never say goodbye.
Across the open sky,
Leave the world behind.
I will be alright.
If you stay by my side.
Spring & Summer
Love & Laughter
We\\'ll Live Happily
Ever After.
We\\'ll be higher than we thought we\\'d be
Because you showed me
How to believe.
Tiny Shining star,
I know who you are.
You\\'re never very far.
We\\'ll never be apart.
Sparkle in my eye,
Like the sky tonight.
Spring & Summer
Love & Laughter
We\\'ll Live Happily
Ever After.
We\\'ll be higher than we thought we\\'d be
Because you showed me
How to believe.
in me.
Fall & Winter
Love & Laughter
We\\'ll Live Happily
Ever After.
We\\'ll be higher than we thought we\\'d be

Because you showed me
How to believe.
Yeah!
ooh whooo
ohh
Hold my hand and fly,
Never say Goodbye.
