Bridgit Mendler:

This the story on how we lived
the story of what we did
It started when we were kids
When music was up in our heads
she said

I've been out on the edge
Breathin a little bit of fresh air
Big dreams I took a chance
Held out for everything I've got here

I've been feeling this lifes a circus
hangin' on without a fear...

Livin' on a high wire
Runnin' through a wildfire
You can't shake me
I'm not going nowhere
Walkin' on a tight rope
No net high hopes
Step back i'm gonna make it over

Na na na na na na na na na
Livin' on a high wire
Na na na na na na na na na
Livin' on a high wire

This the story on how we lived
the story of what we did
It started when we were kids
When music was up in our heads
she said

Big top turnin' around
No clowns
I'm runnin' as I hit the ground
Front row
Big show is sold out
So i'm ready for the ground roar lets go

I've been feeling this lifes a circus

hangin' on without a fear

Ye-a-a-a-h

Livin' on a high wire
Runnin' through a wildfire
You can't shake me
I'm not going nowhere
Walkin' on a tight rope
No net high hopes
Step back i'm gonna make it over

Na na na na na na na na na
Livin' on a high wire
Na na na na na na na na na
Livin' on a high wire

When it comes to the beat
Seein' that the heads are movin'
Move off your seat
Achievements what were really doin'
Freedom of speach
I'm in it just to win it
I'm springin' it
I can see it

In the end that you can be it
'Cause it's patience
It's statements
Famous greatness
Movin' 'till you make it through
And maybe you can make it too

Livin' on a high wire

You can't shake me
I'm not goin' nowhere

Walkin' on a tight rope
No net high hopes
Step back i'm gonna make it over

Na na na na na na na na na
Livin' on a high wire
Na na na na na na na na na
Livin' on a high wire
Yeah Yeah
X2

Na na na na na na na na na
Livin' on a high wire
