I can't pretend to know how you feel
But know that I'm here know that I'm real
Say what you want or don't talk at all
Not gonna let you fall

Reach for my hand cuz it's held out for you
My shoulders i small but you can cry on them too
Everything changes but only one thing is true
Understand, we'll always be more than a band

(yeah) x4

You used to brave the world all on your own
Now we won't let you go were going along
Be who you wanna be always stand tall
Not gonna let you fall

Reach for my hand cuz it's held out for you
My shoulders are strong but you can cry on them too
Everything changes but only one thing is true
Understand, we'll always be more than a band

I never knew you could take me so far
I've always wanted the home that you are
The ones i need

Reach for my hand cuz it's held out for you
My shoulders are strong but you can cry on them too
Everything changes but only one thing is true
Understand, we'll always be more than a band

Reach for my hand cuz it's held out for you
My shoulders are strong but you can cry on them too
Everything changes but only one thing is true
Understand, we'll always be more than a band
