I'm the kind of girl
Who doesn't say a word
Who sits at the curb
And waits for the world
But I'm about to break out, about to break out I'm like a
crook tonight

I caught you staring at me
And I was thinking clearly
Now I'm like a bee
And I'm hunting for the honey
And I'm kinda shy but, you're super fly yeah, I could be
your kryptonite

Like,
Oh oh oh oh oh oh
Light my heart up baby, like a matchstick
Oh oh oh oh oh oh ooh
And hit the gas quick

(Chorus)
Ready or not, here I come
Where you at?
The night is young
In the crowd the music's loud
But I will find you

Ready or not, here I come
I like your face, do you like my song?
Just sing it
La la la la la la la
And I'll find you
Ready or not, ready or not

Hello, my name is (Bridgit)
Nice to meet you
I think you're famous
Where have I seen you?
You'll be my William, I'll be your Kate living like a
fairytale

We could have a palace right next to Oprah

Thirty-seven cars and a yacht down in Boca
Take me away, wherever you say,
Yeah we could be setting sail

Like,
Oh oh oh on on on
Light my heart up baby, like a matchstick
Oh oh oh oh oh oh ooh
And hit the gas quick

(Chorus)
Ready or not, here I come
Where you at?
The night is young
In the crowd the music's loud
But I will find you

Ready or not, here I come
I like your face, do you like my song?
Just sing it
La la la la la la la
And I'll find you
Ready or not, Ready or not

Ready or not, here I come , here I come
You're like a breath of fresh air in my lungs
You and me dance from the night to the dawn
Ready or not, here I come boy
It's on

Ready or not, here I come, here I come
You're like a breath of fresh air in my lungs
You and me dance from the night to the dawn
Ready or not, here I come boy, It's on

(Chorus)
Ready or not, here I come
Where you at?
The night is young
In the crowd the music's loud
But I will find you

Ready or not, here i come
I like your face, do you like my song?
Just sing it,
La la la la la la la
And I'll find you
Ready or not

Ready or not
(You're like a breath of fresh air in my lungs)

Ready or not
(ooooooooh)
Ready or not
(ready or not, whoa)
Ready or not
(ready or not, ready or not or not or not not boom bada
boom bada boom bada)
Ready or not
