Can you see me
cause I'm right here
can you listen?!
cause I've been trying to make you notice
what it would mean to me
to feel like somebody
we've been on our way to nowhere
trying so hard to get there
and I say OH!

we're gonna let it show
we're gonna just let go of everything
holding back our dreams
and try
to make it come alive
come on let it shine so they can see
we were meant to be somebody
somebody somebody else somehow someday
someway somebody..

I'm so tired
of being invisible
but I feel it, yeah!
like a fire below the surface
trying to set me free
but inside of me
cause we're standing on the edge now

it's a long way down
but I say OH!

we're gonna let it show
we're gonna just let go of everything
holding back our dreams
and try
to make it come alive
come on let it shine so they can see
we were meant to be somebody
somebody somebody else somehow someday
someway somebody..

we will walk out of this darkness

feel the spot light glowing like the yellow sun
ooooohhhh
and then we fall, we fall together
till we get back up and we will rise as one

oooohh we're gonna let it show
we're gonna just let go of everything
holding back our dreams
and try
to make it come alive
come on let it shine so they can see
we were meant to be somebody
somebody somebody else somehow someday
some way
somebody somebody..
