you've got that fresh way of talking  
it could be four in the morning  
and your making me trip  
my heart skip, skip the beat

you know that this is amazing  
please tell me why you're hesitating  
let's risk it all, risk the fall tonight

take the rope and climb  
close your eyes  
love will take you high  
we'll be sitting on top of the world  
baby  
you and i  
were born to rise  
so just hold on tight  
we'll be sitting on top, sitting on top of the world

ohhh, ohhh, ohhh, ohhh, ohhh, ohhh

i hear the wind in the trees and  
im weak in the knees when  
your holding me close got tingling toes tonight  
you got me so elevated  
you wanna jump, why you waiting  
let's risk it all, risk the fall tonight

take the rope and climb  
close your eyes  
love will take you high  
we'll be sitting on top of the world  
baby  
you and i  
were born to rise  
so just hold on tight  
we'll be sitting on top, sitting on top of the world

ohhh, ohhh, ohhh, ohhh, ohhh, ohhh

ohhh, ohhh, ohhh, ohhh, ohhh, ohhh

im begging you, im begging you got my love and hand  
out  
im begging you, im begging you got my love and hand  
out  
im begging you, im begging you got my love and hand  
out

take the rope and climb  
close your eyes  
hold on tight  
we'll be sitting on top on the world.  
baby  
you and i  
were born to rise  
so just hold on tight  
we'll be sitting on top, sitting on top of the world  
take the rope and climb  
close your eyes  
love will take you high  
we'll be sitting on top of the world.  
baby  
you and i  
were born to rise  
so just hold on tight  
we'll be sitting on top, sitting on top of the world

ohhh, ohhh, ohhh, ohhh, ohhh, ohhh

(sitting on top of the world)

we will be, you and me, we will be, sitting on top of the  
world
