I can't see the bottom but it's clear
All the way down through misguided hopes and fear

So keep searching for what I don't think you'll find
I haven't been here for a while

I don't care for the person that I've become
I choke and then I realise
It's my own worst case scenario
I replay and then I rewind

So keep searching for what I don't think you'll find
I haven't been here for a while

So keep searching for what I don't think you'll find
Let me know if you get there
I'm the broken piece in your eyes
I haven't been here for a while

I, yeah I'm feeling low, but I will be on my best
behaviour
I, yeah I'm feeling low, but I will be on my best
behaviour

Shortcuts and long delays and shortcuts are my
mistake
Shortcuts and long delays and shortcuts are my
escape

Shortcuts and long delays and shortcuts are my
mistake
Shortcuts and long delays and shortcuts are my
escape
