It's clear that we need to slow down,
Well it's impossible, and it's improbable to hope that we
will.

Hold up to carry you out.

When the light goes under, when I am gone.

You know we're gonna shut down, You know we're
gonna shut down,

It's too much for me, when the dawn can't remember
the night.

Take a look at us now, take a look at us now,

Oh if I deserve this, sleep now come morning we fight.

Make out we're gonna shake down.

They will hunt for us, and they will hunt for us and take
us over.

I hope I'm forgiven somehow,

This will bring us closer.

You know we're gonna shut down, You know we're
gonna shut down,

It's too much for me, when the dawn can't remember
the night.

Take a look at us now, take a look at us now,

Oh if I deserve this, sleep now come morning we fight.

You know we're gonna shut down, You know we're
gonna shut down,

It's too much for me, when the dawn can't remember
the night.

Take a look at us now, take a look at us now,

Oh if I deserve this, sleep now come morning we fight.

You were right [x5]

You were...
