"Come To Me, Bend To Me"

Because they told me I can't behold ye
'Til weddin' music starts playin'
To ease my longin', there's nothin' wrong in
Me standin' out here and sayin'

Come to me, bend to me, kiss me good day
Darlin', my darlin', 'tis all I can say
Just come to me, bend to me, kiss me good day
Give me your lips and don't take them away

Come dearie near me, so ye can hear me
I've got to whisper this softly
For though I'm burnin' to shout my yearnin'
The words come tip-toein' off me

Oh, come to me, bend to me, kiss me good day
Darlin', my darlin', 'tis all I can say
Just come to me, bend to me, kiss me good day
Give me your lips and don't take them away
