Ceremony of darkness
Black magik sorcerer
Performs his ritual
to open the gate
His spells and rites
His jetblack mind
Power of darkness
in his hands

Beyond the gate - of unknown darkness
Beyond the gate - of eternal fire
Beyond the gate - of fornication
Beyond the gate - of pain of flesh
Beyond the gate - of unknown darkness
Beyond the gate - of eternal fire
Gate - painted by blood
Gate - sealed by human flesh
Gate - painted by blood
Gate - sealed by human flesh

Beyond the gate - of unknown darkness
Beyond the gate...
Beyond the gate - of no return
