Nightfall and time to rest
falling down to other world
it is time to lost into maze of nightmares

evil terrorn darkness and fear
sorrow, bleeding, pain and despair

evil terrorn darkness and fear
sorrow, bleeding, pain and despair

demons are hosts of your dream
they torture your body
they cut your veins
they cut your throat
evil terror gift from
demonic host from hell

evil terrorn darkness and fear
sorrow, bleeding, pain and despair

evil terrorn darkness and fear
sorrow, bleeding, pain and despair
demons are hosts of your dream
