Ooooh, Ooooh

A pigeon is a girl be walking by
Wearing dark blue brand new sparkling five
Her feet hurt so you know she wants a ride
Cause she's frontin' like she can't say hi
What?

(Uh, oh) Your chicks ain't getting nada
(Uh, oh) A pigeon ain't worth the Ramada
(Uh, oh) Anyway your friend looks hotter
(Uh, oh) A game is something we got a lot of

I don't want no pigeons
Them be the girls who get no dubs from me
Playing the bar dumb broke with her best friend's coat
Trying to holler at me

In the front of the club I see this girl like, "Yo love"
Thought she called me a thug
A scrub? What? This must be a joke
Broke Pigeonhead freak, you're lucky I spoke

This ain't my Benz there, it's my man, yeah
But this ain't my car like that ain't your hair

(Uh, oh) Pigeon, take your friend's shoes off
(Uh, oh) Pigeon, take your fake jewels off
(Oh, oh) Pigeon, to hell with that crazy bit
Y'all make me sick,
Go home and babysit!

My big dogs don't like this
Concur girl, get a brush and scrub this.

I don't want no pigeons
Them be the girls who get no dubs from me
Playing the bar dumb broke with her best friend's coat
Trying to holler at me

I don't want no pigeons
Them be the girls who get no dubs from me
Playing the bar dumb broke with her best friend's coat

Trying to holler at me

Yo, chill cousin, these birds is I'll cousin
Cause they call me scrub like I can't even bill cousin
Trick Donald's, you ain't worth the McDonalds
Throw you on the street make you spit vinyls and

Hey yo Flex, shorty tried to flash me wrong
How you gonna wear sandals with those nasty corns?
That be wrong
I'm gonna play cards
In the dirty draws with the skidmarks

More than one baby father
(Oh yes girl, we're talkin to you)
If you strip all week to go clubbing
(Oh yes girl, we're talkin to you)
Buy a dress to front and take it back to the store
(Oh yes girl, we's talkin to you)
You wanna smoke with me, with no money?
Oh no, I don't want no

No pigeons,
No pigeons.

I don't want no pigeons
Them be the girls who get no dubs from me
Playing the bar dumb broke with her best friend's coat
Trying to holler at me

(No pigeons) I don't want no pigeons
Them be the girls who get no dubs from me
(No pigeons) Playing the bar dumb broke with her best
friend's coat
Trying to holler at me
