(dedicated to "raggie & rambo")

The beat is ok (repeat)
It's the beat of the day
We wanna go out (repeat)
We wanna scream and shout

The eyes, the faces
A stranger's hand that soon embraces
Tha passion, so tender
Give me something to remember

Electro boy (repeat)
You've got the rhythm, I've got the joy
You've got the rhythm, I've got the joy
Aha-aha-yeah

The beat is alright (repeat)
It's the beat of the night
We stay up late (repeat)
This is more than a date

The eyes, the faces
A stranger's hand that soon embraces
Tha passion, so tender
Give me something to remember
Electro boy (repeat)
You've got the rhythm, I've got the joy
You've got the rhythm, I've got the joy
