I've got a face of an angel
I've got a blessing too
but I have fallen from grace
you know it's true

Bring it on, I will make my own mistakes
Whatever it is I've got what it takes

course:

Hey baby, did I lead you on
sometimes lovers do
Hey babe, you come undone
the beauty that covers you
oho-ohoho oho-ohoho

You're the kind of trouble
I wanna get into
I've been wearing my heart
on my sleeve for you
I've been letting your pencil
and it's
written on you're face
you're just waiting to

fall from grace

Bring it on, I will make my own mistakes

course:

Hey baby, did I lead you on
sometimes lovers do
Hey baby, you come undone
the beauty that covers you
oho-ohoho oho-ohoho

(Instrumental)

course:

Hey baby, did I lead you on
sometimes lovers do
Hey babe, did I lead you on
the beauty that covers you

oho-ohohoo oho-ohohoo

the beauty that covers you
oho-ohohoo oho-ohohoo

the beauty that covers you
oho-ohohoo oho-ohohoo
