I was on the outside
(lookin in)
Wondering what do I
(do from here)
I wanna show the world my
(harmless doubt)
I won't hold back
I'm comin out

[Chorus:]
Because tonight
I'm so inspired
I feel the beat
It takes me higher
To break free is my desire
This is a new me
I just wanna let it go
(let it go 2x)
I'm about to let it go
(let it go 2x)
Let-let me go
(let it go)
Let-let me go
(let it go)
Gon' lose your mind
Just let it go
(let it go 2x)
I just wanna let it go
(let it go 2x)
I'm about to let it go
(let it go 2x)
Let-let me go
Let-let me go
Let-let me go

I took a bite of freedom
(it taste so sweet)
Now that I know
(nobodies being relesed)
I can't go back
To who I was before
I won't get through

This open door

(Chorus)

I know that
I can't let
All the fear
Inside take over me
Got to take controll
Of what's in front of me

1, 2
Can't nobody hold me
3, 4
Drop it to the floor
5, 6
Make you body twist
Let it go
(like this)
Let it go
(like this)

Blow your mind
Whhhooooaaaaa
Ohhhh
Let it goooo
Yeaaa
Ooohhhhhhhh
