Heeeyyy Yeaahh,  
Heeeyyy Yeaahh!  
Thought I was, the kind who had to little to lose,  
Thought I was, the man who'd seen the things he  
needed to,  
But you're so,  
Sweet now, So sweet Now,  
Make Me think in different ways.  
When I stepped outside, openened my eyes,  
Saw a better view, Much finer Place!  
It's Like Something brighter,  
So Brand New,  
It's like some kinda Fever,  
I don't wanna loooose,  
A New sensation, To settle My Blues,  
Take A look at who I am...  
You'll see the face of a changing man!

Heeey Heeeey!  
Heeey Yeaah!  
Ooowooh Ooowooh Ooowooh.

Maybe I've been,  
Looking for the wrong kind of heart and soul,  
Maybe I've Been,  
Fighting too hard with my self control,  
But You're So,  
Free Now, So Free Now,  
You Liberate those Lonely Days,  
Oh when every time,  
I'm lost outside,  
You lead me back, to a warmer place

It's Like Something brighter,  
So Brand New,  
It's like some kinda Fever,  
I don't wanna loooose,  
It's a New sensation, To settle My Blues,  
Take a look at who I am,  
You'll hear the words of a changing man!

Yeah I'm a changin maaan!

Oooh oohh ooohh!

It's Like Something brighter,  
So Brand New,  
It's like some kinda Fever,  
I don't wanna loose,  
It's a new sensation  
To settle my blues,  
Take a look at, a look at, a look at...

It's Like Something brighter,  
So Brand New,  
It's like some kinda Fever,  
I don't wanna looose,  
It's a new sensation  
To settle my blues, (whoa my blues)  
When you're reaching out your hand,  
You'll feel the touch of a changing man!

Wooah heeeeey Yeah!  
Wooah heeeeey Yeah!  
Wooah heeeeey Yeah!

Yeah, you know just who I am,  
Changing man,  
When your reaching out your hand  
Changing man,  
(Repeat until fade)
